

Lee and His Soldiers.

Youth's Companion

Gen. Robert E. Lee, the Confederate commander in the civil war, was almost idolized by his soldiers. A curious incident illustrating both the love of the men and Lee's courtesy towards them is related by a Confederate veteran.

Not long after the surrender, when rumors were abroad that Lee was likely to be executed for treason, the General was living at his home in Richmond. One day a Confederate soldier in the ragged remnants of a butternut uniform came up to Gen. Lee as he sat on the veranda of his house and saluted very respectfully. The General saluted in return and asked the man what he wanted.

"General," said he, "there's fifty more of us fellows round the corner."

"Indeed! Why don't they come up to the house?"

"Too ragged, General. They're raggeder'n me. Now I'll tell you what we're after, General. We hear you're to be tried for treason. Now, we've got a mountain hollow 'way up there, where nobody can't get. There's a right smart of good land in it, and if you'll come along we'll work the land for you and take good care of you, and you shan't never suffer want."

Lee was much affected. He called the rest of the ragged veterans into the house, and while he told them that it would not be proper for him to hide in the mountains or to seek to escape in any way from whatever might befall him, he was very grateful to them for their offer.

They went sadly back to their mountain hollow, but soon afterwards understood that they were free to take up the ordinary employments of life among their fellows and that none were to die or lose their liberty for their part in the war.

The Ideal Panacea.

James L. Francis, Alderman Chicago says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds, and Lung Complaints, having used it in my family for five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial Bottles Free at E. T. Whitehead & Co.'s Drug Store.

Some of the Chinese customs would do to imitate. On New Year's each man and boy, from the Emperor down, pays a visit to his mother, carrying her a present and thanking her for her care of him. He also expresses a wish that this care will continue in the future.

When your stomach begins to trouble you, it needs help. The help it needs, is to digest your food, and until it gets it, you won't have any peace. Stomach trouble is a very distressing, very obstinate, very dangerous. Many of the most dangerous diseases begin with simple indigestion. The reason is that indigestion (not-digestion, not-nourishment) weakens the system and allows disease germ to attack it. The antidote is Shaker Digestive Cordial, strengthening, nourishing, curative. It cures indigestion and gives strength and health. It does this by strengthening the stomach, by helping it to digest your food. It nourishes you. Shaker Digestive Cordial is made of pure herbs, plants and wine, is perfectly harmless and will certainly cure all genuine stomach trouble. Sold by druggists, price 10 cents to \$1.00 per bottle.

A Valuable Prescription.

Editor Morrison of Worthington, Ind., "Sun" writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2625 Cottage Grove Ave., Chicago, has all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength. 50 cents and \$1.00. Get a bottle at E. T. Whitehead & Co.'s Drug Store.

George Pilgrim, of Thomaston, Ga., has what is probably the smallest dog in the country. The little fellow is over seven months old and is no larger than a good-sized rat and weighs only a pound and a quarter. It is a decided curiosity.

A CHANCE TO MAKE MONEY.

I read how one of your subscribers made money selling Dishwashers; I ordered one, and my lady friends were charmed, as they hate dishwashing. My brother and I commenced selling them, and have made \$1,700 after paying all expenses. We don't canvass any. Our sales are made at home. People come or send for them. The Mound City Dishwasher is the best Dishwasher on the market. Our business is increasing, and we are going to keep right on, until we make ten thousand dollars. We sell from 5 to 15 machines every day, and some days more. The Dishwasher is lovely, every housekeeper wants one. There is no excuse to be poor when so much money can be made selling Dish Washers. For full particulars, address The Mound City Dish Washer Co., St. Louis, Mo. They will start you on the road to success. A Reader.

A CHURN THAT CHURNS IN ONE MINUTE.

I have been in the dairy business all my life and have many times churned for an hour before butter would appear, so when I heard of a churn that would churn in a minute, I concluded to try it. Every day for a week I used it, and not only could I churn in a minute, but I got more and better butter than with the common churn. This is very important information to butter makers. The churn works easily and will churn an ordinary churning in less than sixty seconds. I have sold two dozen of these churns in the past month. Every butter maker that has seen me churn in less than a minute bought one. You can obtain all desired information regarding the churn by addressing J. F. Casey & Co., St. Louis, Mo., and they will give you prompt and courteous attention.

DYSPEPSIA DID IT

Weakened One Man's Constitution Until It Brought Him to Death's Door.

Mr. James S. Harrison, a well-known and highly respected citizen of Cleveland, O., was for years a sufferer from dyspepsia and general debility, and in his weakened condition, resulting from the above causes, he had the additional ill-luck to fall a victim to malaria from this complication of disorders. Mr. Harrison's condition was becoming very serious, when he commenced to take P. P. P., Lippman's Great Remedy. Its effects were marked and immediate. Read his letter to us. Its earnestness is apparent:

GENTLEMEN: For the benefit of all suffering from dyspepsia and general debility I beg to submit my testimonial as to the efficacy of your P. P. P., Lippman's Great Remedy, as a positive cure for all the distressing complaints from which I suffered.

My system was also full of Malaria and my condition was growing very serious; I had no appetite, was losing strength and was completely broken down in health, but now my health is completely restored, and I can eat like a field laborer, without the slightest fear of any serious results.

I take great pleasure in telling the world that P. P. P. did the grand work of restoring me to my accustomed health.

Yours truly, JAMES S. HARRISON, Cleveland, O.

If you get up feeling tired and stupid, P. P. P. should be taken—it will make you feel well.

P. P. P. cures eczema, that torturing, itching disease of the skin and blood. If your blood is kept pure, you will not be disfigured with pimples, boils and blotches.

P. P. P. is the deadly foe and vanquisher of rheumatism. Its effects are immediate and lasting, and it not only relieves, but permanently cures.

Serofula, which is hereditary and deep-seated in the blood can be cured by P. P. P. It is the one and only positive cure for this dread disease.

Sufferers from kidney troubles find immediate relief when they take P. P. P. as it cures all irregularities and restores to nature her proper functions.

A REMARKABLE LETTER.

OFFICE OF F. A. GULLEDGE. VERBENA, ALA., Aug. 31, 1896.

Mr. A. B. Girardeau, Savannah, Ga.

Dear Sir:—In reply to yours of the 29th inst., I will say that I freely endorse all you or others have said or could ever say about Johnson's Chilli and Fever Tonic. Two months ago father who is 85 years old, was tricken down with Bilious Fever, and came near dying. I began at once with the Tonic giving him a dose every two hours. I called in our family doctor and told him what I was doing. He said it was the right treatment and advised that I continue it. He called again the next day and saw the effect of the Tonic and gave nothing himself. Within a week my father was able to walk about the house.

I persuaded him to take a second bottle and under its use he has grown strong. Although 85 years old on the 24th of last June, he has to-day taken a horseback ride of six miles unattended.

This is only one of many remarkable cures performed by the Tonic that has come under my personal observation in the last 24 years that I have been selling the Tonic.

If this remarkable medicine cost \$5 a bottle and could only be obtained in London, there would be widespread interest manifested in it and vigorous efforts made to obtain it. But the fact that it sells for 50 cents a bottle and this returned if you are not pleased with the medicine, lead many people to overlook it altogether.

I use it in every case in my own family and in my own immediate influence. Don't think that I have ever been called on to refund the purchase price of a single bottle. Had one customer who came sixteen miles for a bottle last week.

Yours very truly, F. A. GULLEDGE.
